

# Expect as outcomes of the Camp Live Oak Experience?

often about feelings, but do not develop strong needs of, or for, competition.

**Being and doing the best you can is what is really important.**

Each year parents are asked (as will you) to complete an evaluation of the program. The meaningfulness of Camp Live Oak and its parent demand for continued growth into multiple sites have evolved from that **shared knowledge of parent input and ideas.**

*"I cannot say enough nice things about Camp Live Oak and its entire staff..."*

Camp Parent

# CAMP Sessions,

## Summer, Winter and Spring

**Camp Live Oak is open from 9:00 a.m. until 3:30 p.m.**

weekdays during its Summer, Winter and Spring Camps.

**Before and After Camp** care is available for parents who need a longer camp day. Please contact the Camp Director with your needs and include this information on the **Registration Form** when you enroll your child for this additional camp feature. Fees are also listed in the end leaf Registration materials. A **car pool** list is maintained to assist parents with transportation. Hours are 8:00 a.m. until 9:00 a.m. for morning care and 3:30 p.m. until 6:00 p.m. for aftercare.

**Camp Live Oak** operates a nine week summer program which includes time blocks of:

- a four week session (Optional Photo Safari)
- a second four week session (Optional Sleep-over, Photo Safari)
- a one week **Ocean Quest Camp**

An additional fee is charged for Optional Programs. See Registration materials.

Camp's first session begins in early June as school ends and runs through the week school begins in August. **Children are in age-appropriate groupings.**

During the second four week session, Camp Live Oak holds a **Starlight Sleep-over** (in cabins), featuring a sing-along around a roaring campfire, followed by after dinner games and stories, and highlighted by the exciting "bat-and-nocturnal animals" walk.

**Photo Safari** is presented once each session. This special program runs for 1 hour each day during the third week of each regular camp session. Campers will log a total of 5 hours of nature photography learning skills, composition, lighting, and background. This program is recommended for children ages 8 and above.

Toward early August and following the second four week session arrives the dynamically different one week session entitled, **Ocean Quest**, for kindergartners through eighth graders in which to study reefs, shorelines,

# Look for this logo...

**ACA accreditation** is the best evidence parents have of a camp's commitment to a safe and nurturing environment for children. Accreditation assures parents that camp practices have been measured up against **300 nationally recognized health and safety standards** and go a step beyond a state's basic licensing requirements. Because accreditation is voluntary, parents know the camp is **committed to only the best practices.**

## ...and these honors

Our unique, environmental program has been recognized by the **Sierra Club** in its newsletters, and has been termed "innovative" by the **Sun Sentinel** Newspaper. So unique is this exciting, outdoor, educational program, **CNN** filmed a day on location at Camp Live Oak and aired the program worldwide.
