

Live Oak

THE MOSQUITO

At Birch State Park

This Week at Camp:

Welcome back to camp! This week's theme was "Fanciful Flyers" where campers learned all about the majestic birds around us. In the world of science, campers learned how to carefully listen to the unique calling sounds of birds. In addition, we discovered how birds utilize their beaks and how different beaks alter birds' diets. We made fantastic art creations as well! Campers designed and created their own bird masks and used metal to create their own birds of prey! Highlights of the week included our fun-filled 3rd of July celebration where campers partied in their red, white and blue. Don't miss out on our next week themed "Habitat, Habitat, Have to Have a Habitat!"
