This Week at Camp:

What a fantastic first week! We had an amazing time learning about all things marine related and most importantly are excited about the new friendships we have made. This week's theme was "Sea Stars, Urchins and Sand Dollars! History & Treasures of Whiskey Creek!" Campers learned all about different marine life and how to protect our marine environment. Our favorite bug lady was back to teach campers about pinning insects and a variety of sea stars, urchins, and sand dollars. Campers were able to get up close with these marine creatures and learned how to interact with them in our environment! Join us next week as we delve into the world of Swamp Creatures and explore the Everglades Holiday Park Thursday, June 22nd!

Value of the Week

Random Act of Kindness:

Display and perform acts of kindness towards fellow campers and staff. Helping a friend, picking up trash, or even cheering up a friend: all of these can allow campers to earn the "Golden Rake" award at the end of the week!

Important Reminders!
